Who We Are:

- **The Gablettes & Co.** was established in 1975. We are a competition dance team numbering from 20 to 40 members, all students at **Coral Gables Senior High School**.
- To be selected as a **Gablette**, the dancers must demonstrate dance talent and composure, and must also maintain a high grade point average. Additionally, members of the team are active in honor societies, service clubs and volunteerism.

The Director:

- **Mo Marmesh** is a graduate of the University of California, Los Angeles with degrees in Dance and Communications. She is also an alumni of the team, having served as captain from 2001-2002.
- **Mo** has worked with American Dance Alliance as an instructor, choreographer, and judge. She toured LA with UCLA Repertory Tour Ensemble and spent two years as an associate producer at CBS television in New York.

What We Do:

- The **Gablettes & Co.** are currently National Champions in two divisions. In addition, team members have:

- Performed in many local events.
- Been featured in the **Macy's Thanksgiving Day Parade** & the internationally televised **Sabado Gigante**.
- Served as ambassadors for South Florida wherever they perform.
- Been recipients of numerous finalist rankings in competitions, including National and State Championship titles.
- Showcased their talent in the annual **Fall Frolics Recital** and the spring **Gablette Revue Dance Show**.

How You Can Help:

- In order to perform and participate in these events, the team dedicates arduous hours of practice while subsidizing their expenses.
- The team does not receive funding from the school board. You can help through a financial contribution.

Your generosity will enable this team of talented dancers to:

- Purchase costumes and attend competitions.
- Support those with less financial resources to fully participate.
- Continue their strong tradition as ambassadors of South Florida.
